SEARCHLIGHT ON SCHOOL LIFE

SPOTLIGHT ON SPORTS

FLOODLIGHT ON FEATURES

It's light hearted...

Because the days of youth are the light hearted years with fond dreams and aspirations that are begging to be realized, this book has the theme of LIGHT. The glow of excitement, the radiance of anticipation, the light of hope—all are contained in our high school years.

it's Serious...

it's a Storehouse of Knowledge...

Associations, teachers, books are guiding
lamps that illuminate the road of life.

it's the "loveliest of our Memories"...

D E D I C A T I O N

Her artistic ability has created beauty in our school, beauty in the lives of her students, and beauty in the busy art room at the end of the hall. Consideration and capability clothed in a paint smeared smock is Mrs. Harriett Stogrin, to whom we affectionately dedicate the 1953 Black Warrior.

it's well Administered

MR. J. R. PITTARD

Tuscaloosa High School has been fortunate in its principals. Mr. J. R. Pittard, who had been with us in 1951, returned to T. H. S. this year. We feel that his friendliness, his kindness, his deep personal interest in everyone of our thousand-odd students are attributes we like our principal to possess.

THE BLACK WARRIOR

Mrs. Verna Bardon is the person to see about changing schedules, getting out announcements, and mimeographing the many bulletins a school uses. We think she has many talents to apply to such varied tasks she must do in our school office.

THE CITY BOARD OF EDUCATION

The City Board of Education is composed of civic leaders who unselfishly give of their time, energy, and varied abilities in order that our school system may be an outstanding one. Members of the board are Dr. J. H. Hadley, Mr. Harry Pritchett, Mrs. R. H. Richardson, Judge Reuben Wright, Mr. Gordon Madison, and Mr. R. H. Davis.

DR. HADLEY'S STAFF

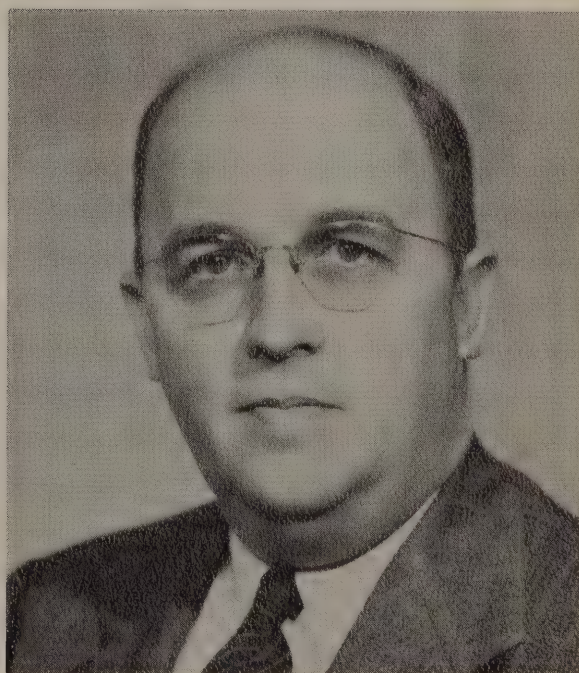

The behind-the-scenes workers to whom we are indebted are Mrs. Ruth Shepherd, Mrs. Bessie Tidwell, Mr. H. M. Lyda, Mrs. Lesba Sanford, Mrs. Joy Welsh, Dr. J. H. Hadley, Miss Susie Mae Smith, Mrs. Houston L. Lucia, Mrs. Jesse C. Maxwell, and Miss Clara L. Verner.

INTRODUCES THESE TWO CAPABLE OFFICE WORKERS

Mrs. Bessie Mae Lewis is our bookkeeper without peer, a tireless worker, and a friend to every student and teacher.

DR. J. H. HADLEY

Dr. J. H. Hadley is recognized throughout the state as an outstanding school man. With an extensive building program beginning this year, his proven business ability will help in planning wisely for the school system of Tuscaloosa.

STUDENT COUNCIL

The excitement of the 1952 presidential election year, with conversation about conventions, the Ike and Stevenson buttons, the speeches, the privilege of choosing a President, all are reproduced in miniature at T. H. S. in our Student Council elections. We too have our platforms, our speeches, our campaign managers, and then a democratic election.

On these pages we see some of the work of the Student Council—the information booth at the beginning of the year to help new students, and the preparation for the homecoming dance.

The clean-up program, which amounts to a campaign fostered by students and teachers alike, the homecoming activities, and the beauty walk are three major accomplishments of the council for this year.

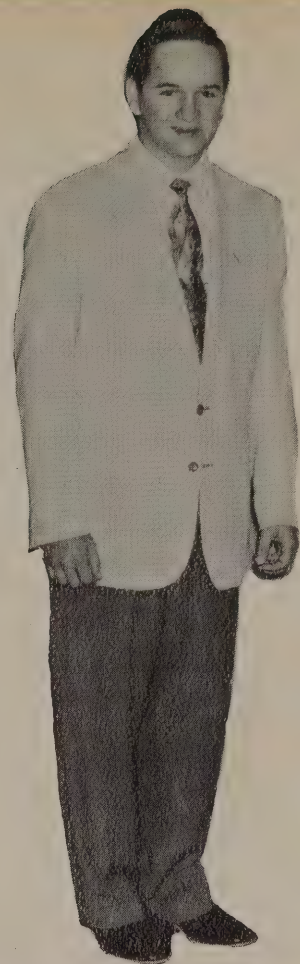

STUDENT COUNCIL SPONSORS

Miss Tennie E. Davidson, Freshman Sponsor; Miss Joanne Phillips, Junior Sponsor; Miss Edna Earle Mullins, Sophomore Sponsor; Mrs. Harold Cary, Senior Sponsor; Mr. J. R. Pittard, Sponsor.

At the right is our versatile president, Mark Mathis.

OUTSTANDING SENIORS

These outstanding seniors chosen by senior teachers typify an outstanding class.

A leader in every undertaking is **SYDNEY FINNELL**. Each organization or project which has felt her guiding, helping, and leading presence has profited greatly.

PAT HARRISON, our red-haired actress with the lovely voice, has contributed much to the theatrical history of our school while being an outstanding student.

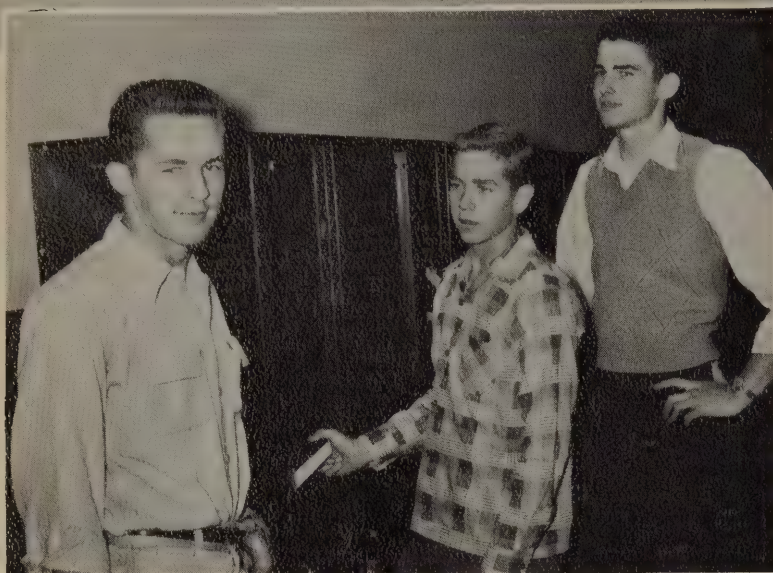

JOHN WINCH'S unassuming manner disguises his many activities and varied abilities. While others are arguing and talking, John is doing.

There has never been another Hil. His keen mind, his sense of humor and his musical knowledge are only some of the qualities which permit us to make this statement about **HIL HOLLEY**.

Personality and a high I. Q. make **HARRY PRITCHETT** one of the busiest and most popular students in our school. He has his finger in many pies and always does a good job.

JUNIORS

High-spirited and gleeful Juniors have not left their frivolous early days and have not yet reached the sobriety of their Senior year. Idealists, all; when made to come down to earth, they are planners, builders, and doers. They have ambitions and with able guidance can attain their goal.

The officers in the picture at the left are Jimmy Woodward, President; Don Dalee, Sec.-Treas.; Don Ruggles, Vice-President.

"Come what come may,
Time and the hours runs through
the roughest day."

After the 3:06 bell
some hurry to their bus,
for the long ride home.
Others hurry home to raid
the family refrigerator.

'Tis a rare moment that finds the
editors not editing.

OUR STUDENT TEACHERS. We are happy that we live in a college town where we have the advantage of being assisted in learning by these students in the college of Education at the University of Alabama. Perhaps we can be as much help to them in their advancement as they are to us in ours. These people's footsteps will be followed by our own Future Teachers.

Preparations are under way to visit an elementary school, Verner School, where our future teachers will be able to work with young children. This organization is also responsible for the posters that have caused us to become manners conscious.

This is not a class in military tactics. Our student teacher seems to have delighted his almost one hundred per cent feminine listeners.

FUTURE TEACHERS OF AMERICA. Row One: Libby Olson, Dot Hutchins, Mary J. Knight, Gay Sherry, Ann Richardson, Virginia Duckworth. Row Two: Patsy Lett, Mary Barringer, Betty Davis, Frances Moses, Diane Wood. Row Three: Frances Abbott, Claire Palmer, Miss Phillips, Allison McQueen, Harriett Rodgers, Joan Mackey, Billy Montgomery, Ernestine Gray, Carolyn Lawley.

P.-T. A. OFFICERS. Mrs. Paul Garner, Vice President; Mr. Graydon Ausmus, President; Mrs. C. H. McCrimmon, Secretary.

Our P.-T. A. has shown much appreciation for teachers this year with a tea honoring them in the fall and a Christmas dinner at which they were guests.

Parents and teachers enjoy a cup of tea and a chat. This is the receiving line with Mr. Pittard in the limelight.

SYMBOL OF TRUTH"

It is the purpose of the Honor Society to kindle this knowledge that is others' and to promote scholarship, leadership, character, and service. The emblem of the Druid Chapter is the flaming torch, which is the symbol of light borne into dark places. Those who seek truth must light the torch of knowledge. Because this is true, our motto is: "Light, the symbol of Truth."

BETA CLUB

MISS LAURA NEWELL
Sponsor

"These are the men of thought and reading, men of light and leading," says Edward Bickersteth. The Beta Club fills his description adequately, being one of the most active organizations in our school and playing a vital role in school life. The purpose of this club is to stimulate effort, reward achievement, and to encourage and assist its members to continue their educations after high school. The Beta Club has served by publishing the Red Book, by taking baskets to the needy, and by sponsoring dances and many other activities. This proves the motto: "Let us lead by serving others."

This picture makes us a part of the audience that is filled with awe at Sally's beautiful voice.

The Mixed Chorus continues to delight music lovers in our city by singing for civic clubs throughout the year, staging a concert during the Christmas season and giving an operetta in the spring.

This group of students seem to be enjoying a song at the piano.

'BURNING THE MIDNIGHT OIL'

THE BEAR FACTS STAFF

The "Bear Facts" staff under the supervision of our versatile Mr. Sims has been studying layouts, news stories, interviewing, and such journalistic practices. Financial difficulties have beset the staff, but the copies published have been representative of the type of newspaper our school has produced for many years.

EDITORS: Sydney Finnell, Sally Trawick, Betty Sue Hughes, Louise Rosenfeld, Edward Richards, Cynthia McMillan.

This picture takes us back to one of those mornings when, having sensed by the excitement in the halls, we know that the "Bear Facts" has come out. Here is the table in the hall with a rush of students anxious for the review of school happenings and for the insight of things to come. After the papers have been bought, these eager T.H.S.ites will scurry off to delve into the news behind the news published in the "Bear Facts."

T. H. S. PARTICIPATES IN DRIVES

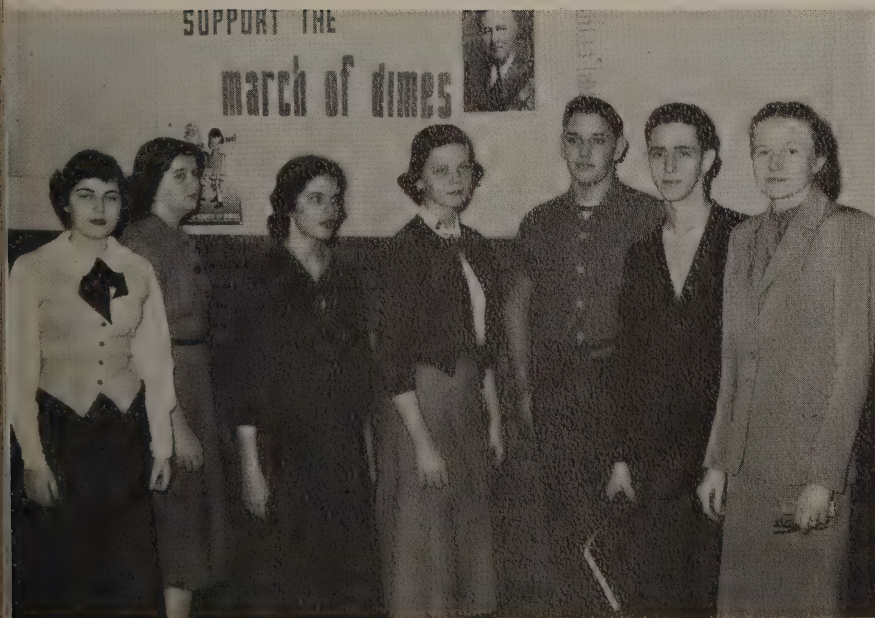

Miss Davidson must be explaining to this group that there is a "bigger red feather this year," and that each student should accept his responsibility in helping to attain this goal.

Tuscaloosa High School students learn with the adult citizens of our country to participate in many drives that have been organized to help the less fortunate. Competition among section rooms is keen, we learn to share what we have, and our contributions help our city to reach its quotas in the various campaigns.

These two ladies who devote much time to the drives are Mrs. DeLoach and Mrs. O'Steen.

INDUSTRIAL ARTS AND DRIVING

It's almost miraculous the way these boys can turn a handful of clay into a beautiful vase or pitcher. Many boys will find their life's occupation as a result of this Industrial Arts class.

These Industrial Artists are as busy as beavers with their wood works. This newly completed table would make any home look distinguished.

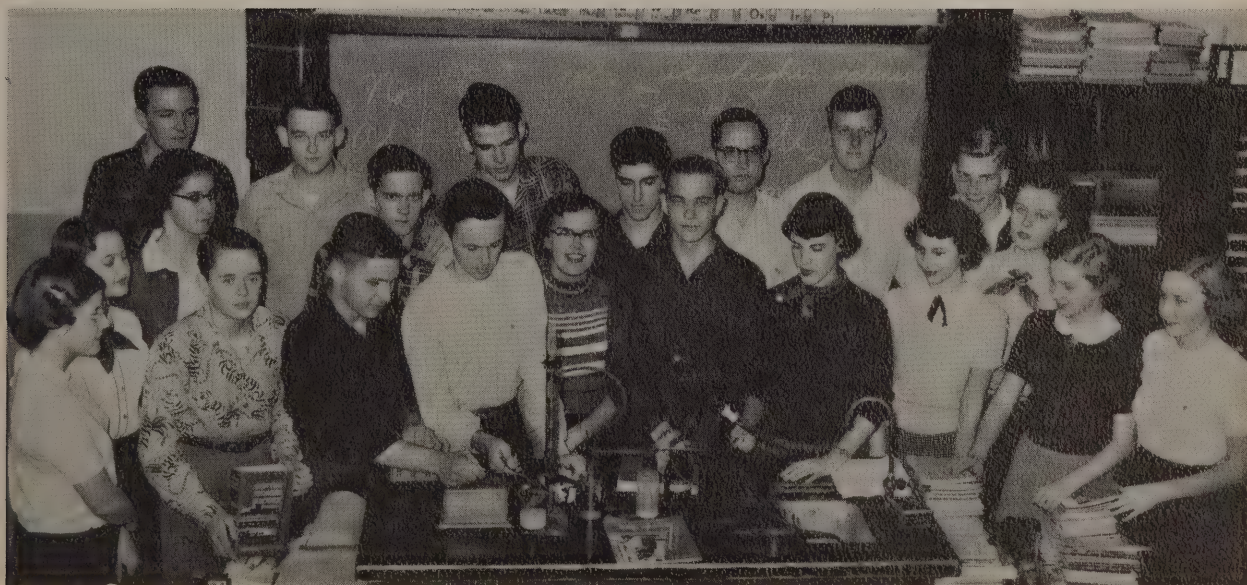

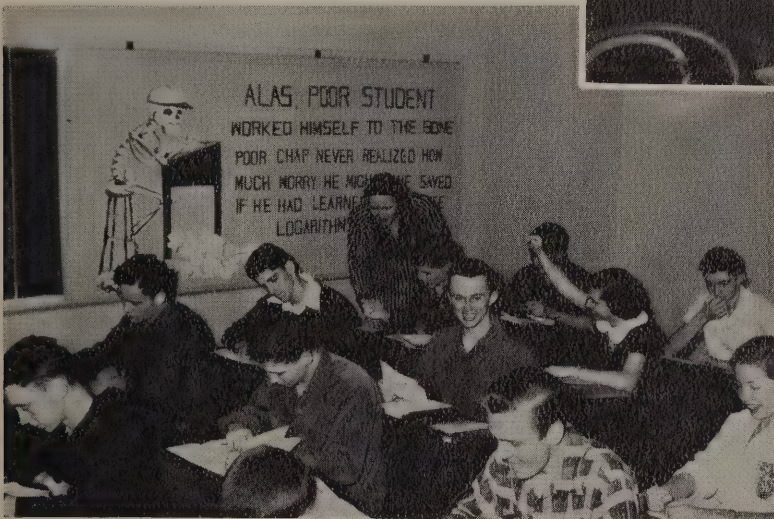

No mistakes here! Mary Jo has carefully signaled and stopped at the traffic light to let some friends cross the street.

MECHANICAL DRAWING

With drawing tools poised these boys are beginning to create amazing designs and plans that we who are not skilled in their field would have sworn to be impossible. These are the builders of the future.

ON THE LIGHTER SIDE

An integral part of high school life is the carefree laughter and fun at a "get-together." Jack's imitations and expressions will invariably cause the party to burst into a roar of laughter.

DRUCILLA CHRISTIAN
MISS TUSCALOOSA HIGH

"THE BOAST OF HERALDRY, THE POMP OF POWER"

Charles Helms is the herald of fun and carnival spirit that prevailed when the Beta Club staged a Valentine dance..

To the theme and strains of "A Pretty Girl Is Like A Melody", forty five beauties took their places in the beauty walk, each hoping to take home the honor of being selected T. H. S.'s most beautiful girl. The same expression was heard over and over again in the audience—"I'd surely hate to be a judge and have to pick one girl out of those forty five." However, out of the pomp and pageantry the charming Drucilla Christian was chosen to hold the reins of power as Miss Tuscaloosa High.

Jean Gibson, runner-up; Drucilla Christian, Miss T. H. S.

It's fun to catch the different expressions of anxiety in the throng of beauties before the walk.

A REVIEW OF THE SEASON

BEARS TOP BIBB COUNTY 26-9

In the season opener, the Black Bears put on a second half surge that was too much for the Choctaws. Outstanding were Sonny Ingram and Jimmy Woodward, who scored once and twice respectively. Ashcraft scored the other T.D.

BLACK BEARS SMOTHER IRONMEN 33-6

Woodward and Helms were standouts in this traditional game. The big fullback scored once and gained 111 yards on the ground. Helms was a thorn in the Holt offense all night. Nub Hammonds kicked three extra points.

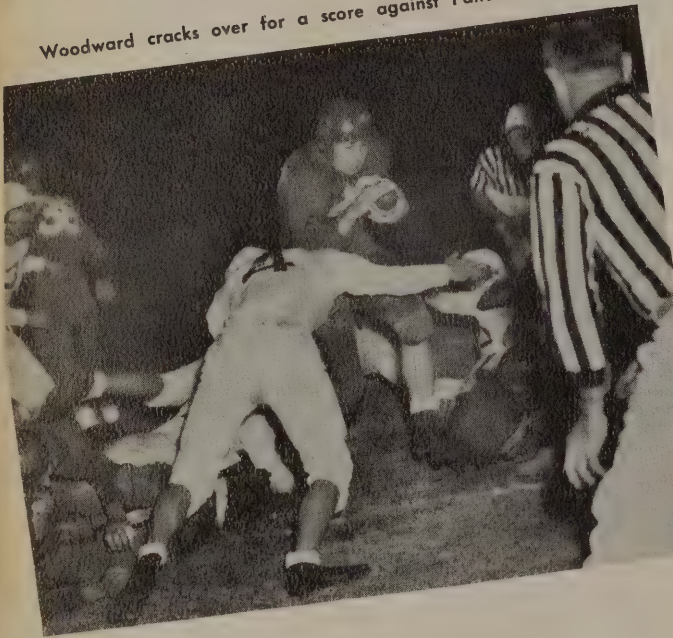

T.H.S. TOPPLES LANIER 20-7

Standouts in the backfield were Jimmy Green, who threw two touchdown passes, and Jimmy Woodward, who ran for 103 yards and punted for a 41.3 yard average. Capt. Helms and Alt. Capt. Joyner shared defensive honors for the invading Bears.

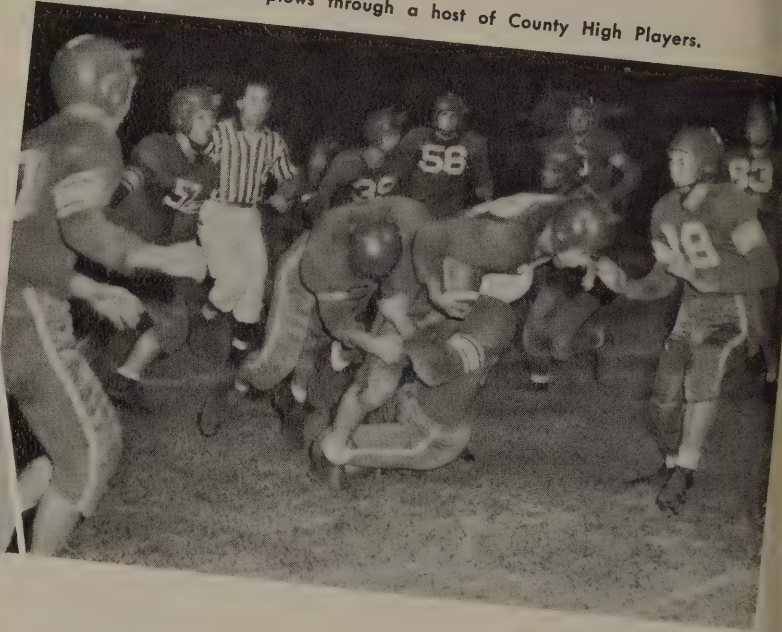

RAMS RAMBLE OVER BEARS 33-6

Although fighting all the way, the Bears just couldn't cope with the powerful Ramsey team. Playing good ball for T.H.S. were Woodward, Helms, and "Boddie" Hinton.

ENSLEY EDGES TUSCALOOSA 12-7

Our team played good ball in this one, the margin of victory being a blocked punt in the last quarter. The defeat was costly as Charles Helms suffered a shoulder separation.

'LOOSA TRIMS PARRISH 20-12

The Black Bears put on another second half surge to pull this one out of the fire. Woodward scored twice and Ingram once, with Hammonds adding the P.A.T.'s.

BEARS TURN BACK CATS 21-7

The running of Ingram and Woodward was featured in the Bruin attack, and Mark Mathis played well at his end post. Hammonds had a perfect night on points after touchdowns.

'LOOSA TRAMPLES DESHLER 34-7

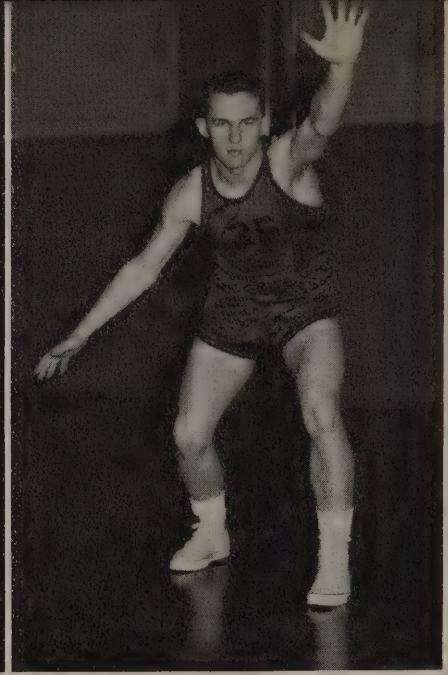

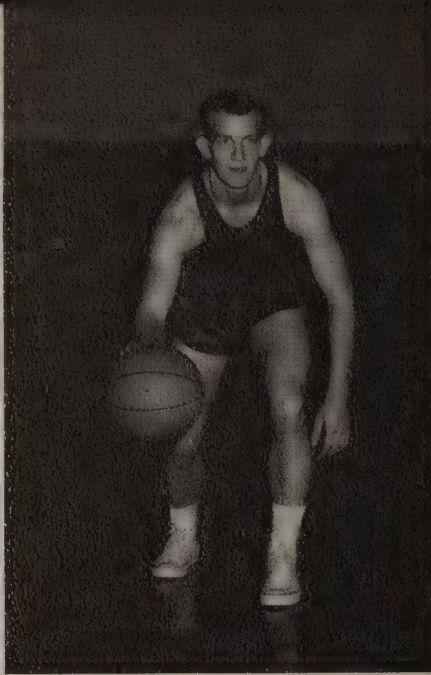

Blending a passing and running game, the Black Bears were too much for a fighting Deshler team. Gordon Palmer and Jimmy Woodward were the running stars, and Jim Green threw some nice passes. John Joyner was outstanding in the line.

BLACK BEARS PUSH OVER PANAMA CITY

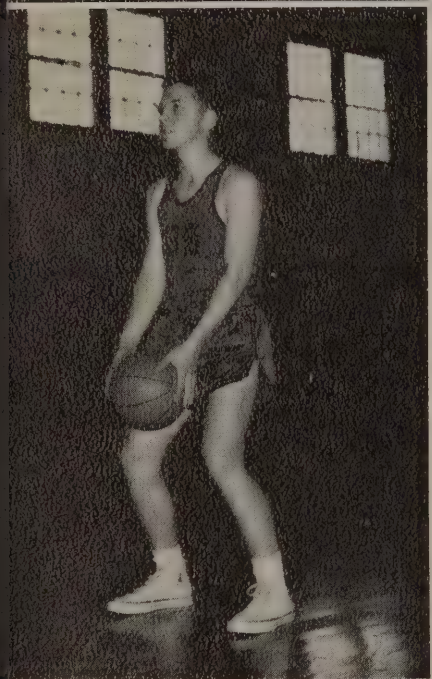

34-13

Sonny Ingram, Gordon Palmer, and Jimmy Woodward ran almost at will for the Bruins, with Charles Helms cracking the P. C. defense many times. Hammonds converted four times in five attempts.

BOYS' PHYSICAL EDUCATION

As you can tell by the faces of the players, this is a tense moment in one of the Basketball games played during Physical Ed. Period.

One of the favorite pastimes of many of the Physical Ed. Boys is the scrimmage games during football season. Who knows but what a few of these he-men are future Black Bear Stars?

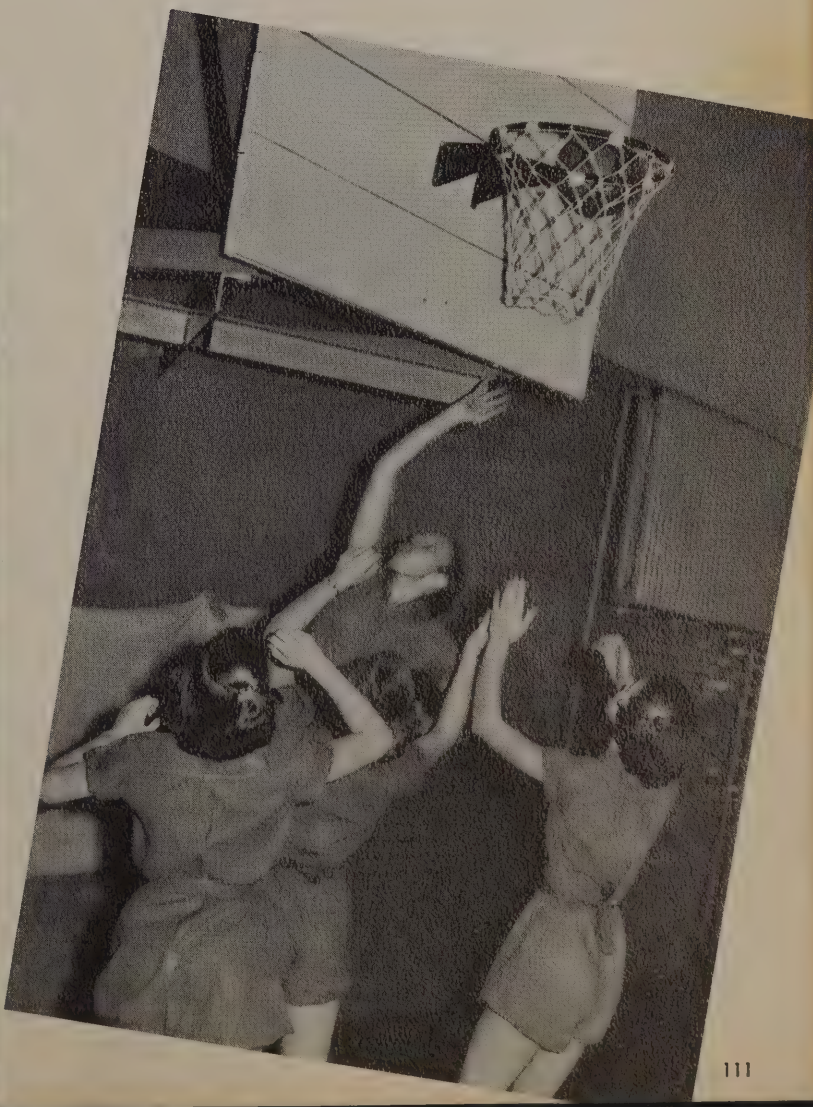

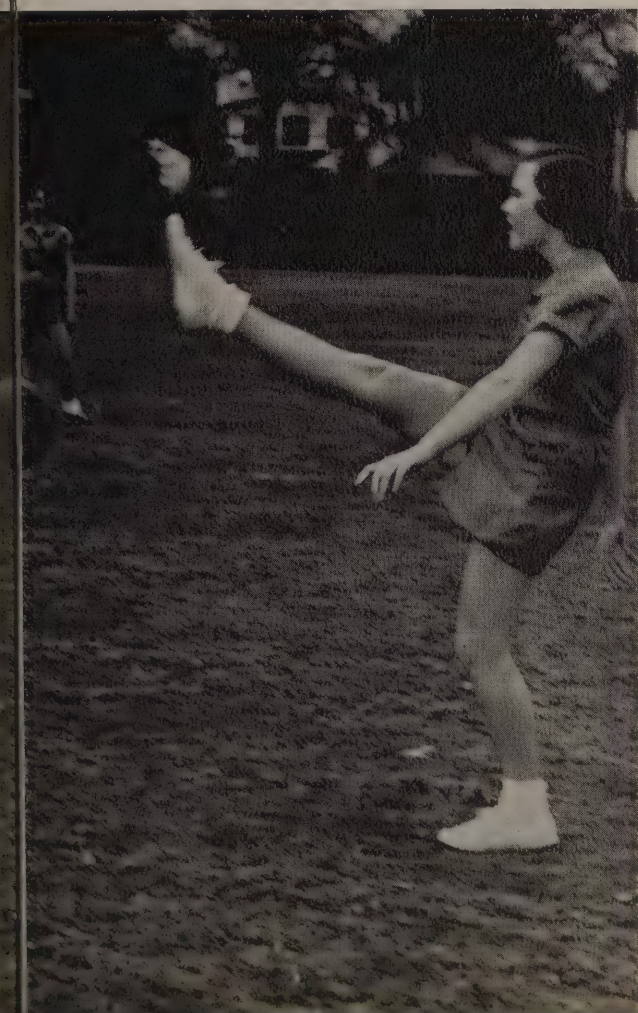

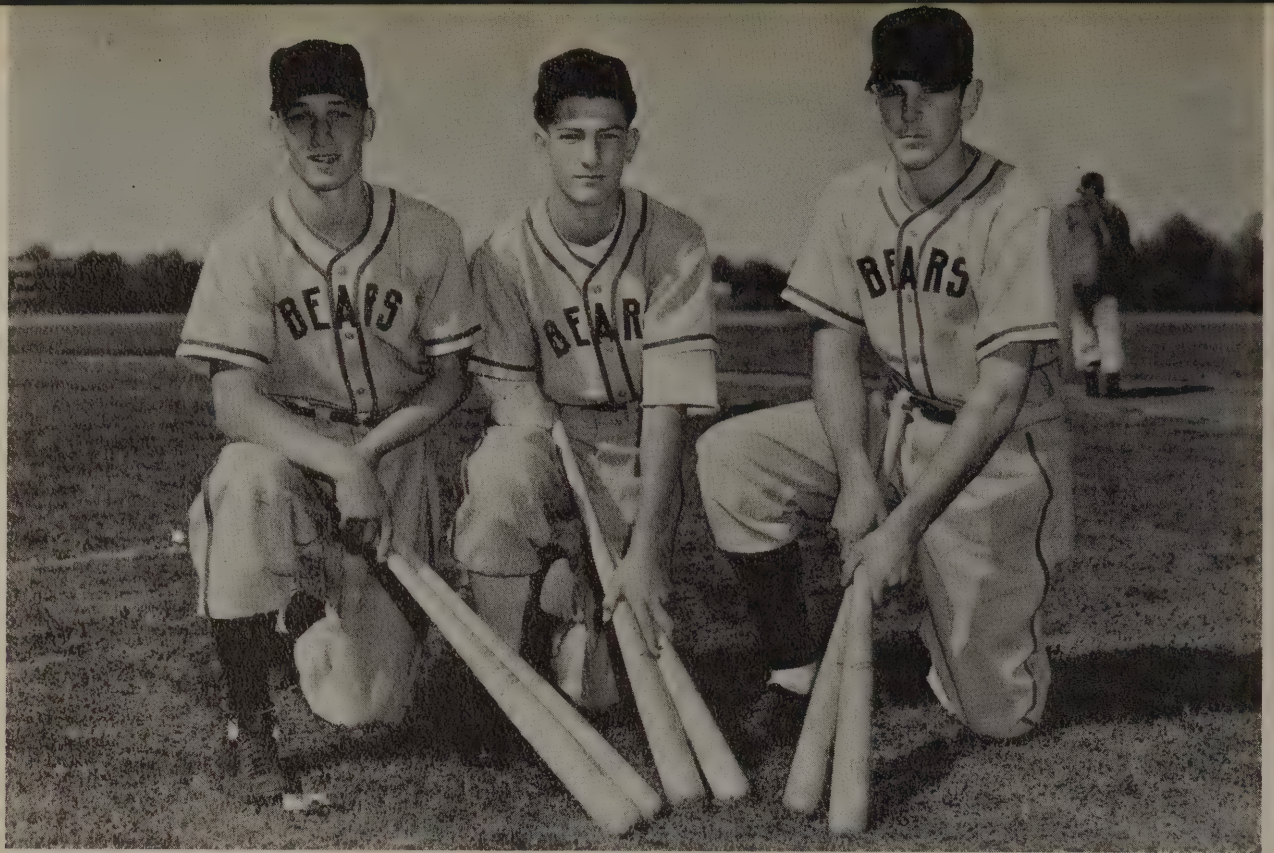

As the relief pitchers warm up in the background, Gladys Palmer swings and misses in a hotly contested softball game.

GIRLS PHYSICAL EDUCATION

Even if her form isn't perfect, with a little more practice she may turn out to be another Jimmy Woodward.

An enjoyable phase of Girls Physical Ed. is Basketball. Although the rules for Girl's basketball are different from those of boy's, they play the game just as fervently as the opposite sex.

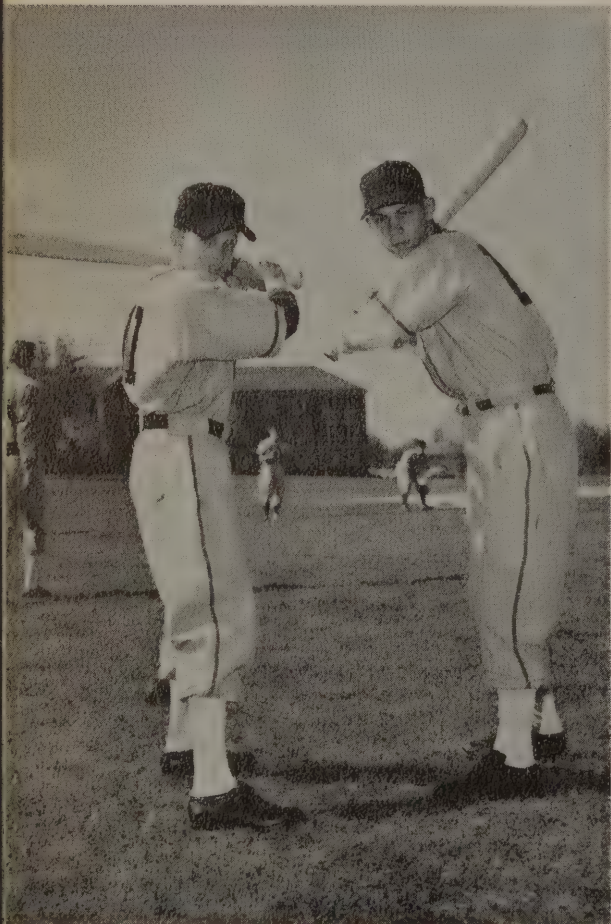

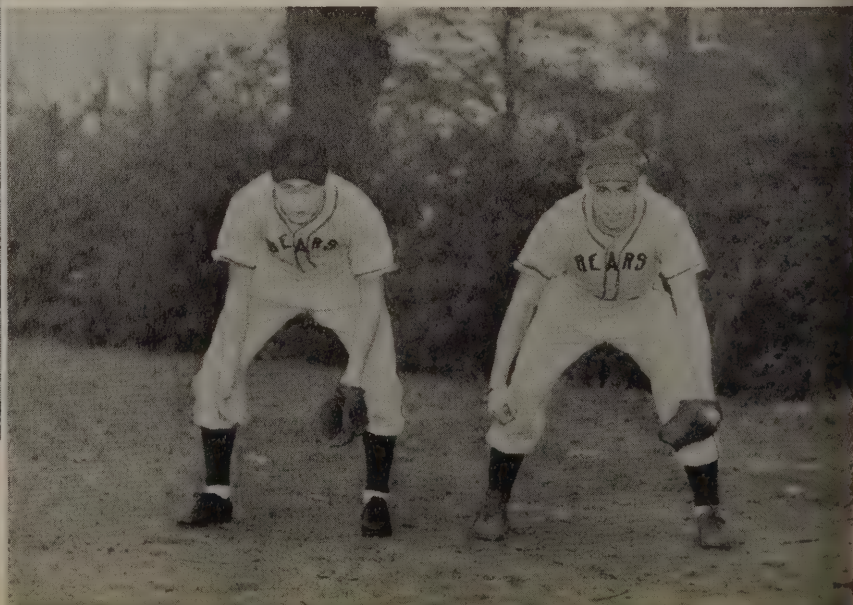

GORDON PALMER, JAMES HAMMONDS, JOHN JOYNER

BASEBALL

Baseball is a very important sport at T.H.S. Many of our Ball players have not rested on their laurels after leaving high school, but have gone on to play in college, and some have joined professional Teams. On this page we have presented a few prospective stars for the coming '53 season.

Not of the sunlight,
Not of the moonlight,
Not of the starlight!
O young Mariner,
Down to the haven,
Call your companions,
Launch your vessel
And crowd your canvas,
And, ere it vanishes
Over the margin,
After it, follow it,
Follow the gleam.

Tennyson
